05/2014 - 05/2015   90%

INTERNSHIP & TRAINING EXPERIENCE

Web Developer(INTERNSHIP)
Frontend Web Developer Softpro India Computer Technologies (P) Ltd.

06/2019 - 08/2019   *Ayodhya*

leading IT firm headquatered in the capital city of Uttar Pradesh

Achievements/Tasks

- Designing of website
- Update and edit website contents,posts and pages

PreCAT(TRAINING)
SunBeam Institute of Information Technology, Pune-Karad · Apprenticeship

09/2022 - 11/2022   *Pune*

Sunbeam institute is the best PRE-CAT & C-Dac training center in Pune.

Achievements/Tasks

- This course covers the syllabus Section A + Section B CCAT
- DSA ,C Programming, OOP using C ++,Computer Network and Operating System covered during the training

SKILLS

HTML   CSS   JavaScript   Java   MySQL   React   DevOps   DSA   Operating System   C   .NET Core   Git and GitHub   Linux   Problem Solving   Leadership   Management

PERSONAL PROJECTS

Online Food Delivery (06/2023 - 09/2023)

- The project "Online Food Delivery" is a basic one stop web application for customers,hotel managers & delivery executives.Customers can order available food from their favourite restaurants . The restaurant managers can assign the food orders to the delivery executives and the delivery executives can deliver the food order and notify about delivery status. Java JEE (Spring Data JPA, Spring Boot) as back-end technology & React JS as a front-end technology with MySql database.

Food Waste Management System (02/2022 - 08/2022)

- In this system, we have tried to reduce restaurant food wastage by giving waste food to NGOs. NGOs will raise a request, in case of any leftover food restaurants have. This request is sent to the restaurant manager of that particular restaurant. The NGO Manager then approves the request and assigns it to one of the NGO employees for takeaway and forwards the request to the restaurant. The leftover food at the restaurant can be given to NGOs at the end of the day. This project is food redistribution is an enormously successful social innovation that tackles food waste and food poverty.
